🗣 English, Hindi

Being a fresher, my goal is to learn as much as possible in the work force . I am flexible and ready to work with new technologies. In addition I am a hard worker and always ready to pull all nighters in order to make sure the work is done.

## Education

**High School (7-12)**

**2007 - 2013**

Abu Dhabi Indian School, Abu Dhabi, U.A.E.

**Bachelor of Computer Applications**

**2013 - 2016**

St. Xavier's College, Mapusa, Goa

# Master of Computer Applications

2016 - 2019

Christ (Deemed to be University), Bengaluru, Karnataka

## Technical Skill

### Languages

Python, C, C++, Java, Java(Android)

### Web Technologies

HTML, CSS, JavaScript

### Database

MySQL, MongoDB

### JavaScript libraries

Node.js, React.js, Express.js, Angular.js 2

### IDE's

Visual Studio Code, Android Studio, Eclipse

# Projects

## **IOT & Android**

### **MCA Sem 4**

The title of the project was “**Guide Your Ride**” Using Arduino where parents could track their child when they were riding bikes. This was done using sensors such as accelerometer, gyroscope and other sensors to the Arduino which would transmit the data via internet to an android app developed for parents.

## **Internship at Cerner India Healthcare Services**

### **MCA Sem 6**

Worked as an intern for 5 months, where I was given to work with the MERN stack for developing a responsive Single Page Application. In addition, it was required to perform testing and code coverage for the front and back end.
